REPORT OF DIRECTOR OF MISSIONS
(P. M. Hutchinson)

I have kept a record of the churches that cooperate by attending our Associational Meetings this year, and over half of our churches have not attended. This same attitude is reflected in our churches. One-half of the members never attend. Whether it is an association, church, or individual, this is a reflection on our Christianity.

A ten year study of our gains or losses in our churches reveals that the only consistent increase has been in our finances. Are we more concerned with the material things than anything else? Have we lost our compassion or concern for the lost? Are we busy playing church, or are we really trying to reflect the compassion and concern of Christ for people?

Let's give serious consideration to being a better person, church, and association.

MISSIONS COMMITTEE REPORT
(Randolph Browning)

All churches have not been cooperative in attending Associational Meetings over the past few years. Usually less than half of our churches will be represented in any one meeting. Our Director of Missions, along with the different Associational Departmental Directors, have planned many

meetings that were helpful to those present, but some of the meetings discouraged the workers because of the lack of attendance.

I appreciate the work of the Missions Committee and the Nominating Committee working together after the Association in Annual Conference last year asked the committees to investigate the possibility of having a full time Director of Missions. During the investigation of the committees and working with the Executive Committee, we discovered the Association did have money that could be used in the program of work in our Association, and the Finance Committee for 1981-82 was made aware of it. I hope for an even better program of work next year, and it is my prayer that we will all avail ourselves to the Associational work in a greater way.

SUNDAY SCHOOL REPORT
(Randolph Browning)

Many great churches have been started after a Sunday School has been established. The Sunday School Department in any church is the basic Bible teaching part of the church. Sunday School teachers should be evangelistic in their teaching because many people that walk the aisles to accept Christ as Saviour and make a public profession of faith in Christ, do so after hearing about Jesus in Sunday School.

This October (1981) is the month for the People Search program of work to be accomplished and this will help our Sunday School immensely. Projections are that every Sunday School will have three times as many prospects as their number of average enrollment. This will be true if every church participates. Of course, the number of prospects will not be worthwhile unless class members follow up and try to get all prospects enrolled in Sunday School. Let me encourage you to do so.

BROTHERHOOD REPORT
(Paul Gordon)

The North Carolina Baptist Men are still placing special emphasis on "Motivating and Mobilizing Men for Missions." This is both Home and Overseas Mission Projects.

West Virginia has requested North Carolina's assistance to help build 100 new churches during the period 1981-1985. The goal was 10 new churches the first year. 20 new churches were completed or the first stage completed during 1981. Two churches of the Montgomery Baptist Association were active in West Virginia this summer. Rev. Terrell Watts and a group of young people from Troy First were at Scotts Depot for a week of construction and witness. Rev. Grady Blakely and Paul Gordon from Mount Carmel were at Mountain Top Baptist Church, Welch, doing construction on the church.

Your Brotherhood Director has had the privilege of spending two weeks in Venezuela doing construction on a missionary's home this summer.

A workshop was conducted at Tabernacle Baptist Church on Baptist Men and Royal Ambassadors with 12 of our churches taking part.

The Director of Baptist Men's work in North Carolina challenges Baptist Men to become personally involved in mission activities through mission study, pray for and give to missions, develop personal ministry and undergird their church and denomination.

WOMAN'S MISSIONARY UNION REPORT
(Mrs. Lee Chappell)

The Great Commission found in Matthew 28:19-20 provides the foundation stone for Woman's Missionary Union. Jesus' purpose in coming to this world in human flesh, and our purpose as His disciples is, to seek and to save that which was lost.

Ye shall be my witnesses-tell the good news-love your neighbor as yourself. This is missions. And Woman's Missionary Union is a church missions organization designed to help women, girls, and preschoolers learn about missions and how to carry out Jesus' command.

This year WMU enters the final year of a three-year emphasis on life-changing commitments. The overarching aim of the emphasis is to lead church members to make life-changing commitments for the support of missions.

In a sense, 1981-1982, this third year of the emphasis, is a year of doing, of involvement, of service. Ask yourself these questions: What will I do personally for the support of missions this year? As a witness? In Mission Action? With my time and material possessions? What should be my role in my church? In Missions? Can I participate in volunteer mission service?

This year's watchword includes the words from Isaiah 6:8: "Whom shall I send? I will go! Send me!" Pray that God will lead you to make all the life-changing commitments you need to make for Him this year.

The watchword for the year is: "Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me." (Isaiah 6:8). The hymn is "Send Me, O Lord, Send Me."

The WMU of North Carolina has made plans to try to get a WMU organization in all the Baptist churches in our state. To get this work done we have a "Starteam" who will work with our local leaders to encourage churches to see the need for this mission work.

Our Associational Directors attended a workshop to help them plan a Leadership Conference for our local leaders in October.

As a Mission Action project we joined with North Carolina WMU to give Christmas gifts to the women at Woman's Prison in Raleigh.

Our GA Director, Joyce Morgan, helped plan and present a GAtivity for girls in three counties. This was a day for learning much about missions.

Our annual WMU meeting was held at First Church Star with Dr. and Mrs. Clarence F. Clark, Medical Missionaries, as speakers. They shared about the work they do at the Baptist Hospital in Japan.

ARE YOU WILLING TO LET GOD LEAD YOU IN A LIFE-CHANGING COMMITMENT THIS YEAR? 1981-82 WMU Officers: Mrs. Cecil Green, WMU Director; Mrs. Lee Chappell, Assistant Director; Mrs. Kester Williams, Secretary and Treasurer; Mrs. Frankie Russell, Girls in Action Director; Mrs. Robert Poole, Mission Friends Director.

CHURCH TRAINING REPORT
(Virginia Blake)

Church Training is the organization assigned the task of helping members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility of teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Policy and Organization, and Skill Development (in performing the functions of a New Testament Church).

During this past church year Church Training in our Association:

1. Sent Virginia Blake to Key Leadership Conference.
2. Sponsored a leadership conference at Hamer Creek.
3. Started a Church Training Program at Troy First.

Some of the goals set for the coming year are:

1. Begin three new Church Training Programs.
2. Strongly promote the drills and tournaments.
3. Sponsor an Equipping Center Seminar.
4. Reach 125 at our annual "M" Night in November.

To strengthen the Church Training Programs and groups we have an excellent Church Training Council. They are:

Virginia Blake, Associational Church Training Director
Rev. A. T. Robertson, Jr. New Member Training
Jeanette Lamonds, Adult
Delores Tyre, Youth
Mrs. A. T. Robertson, Jr., Children
Renee Haugh, Preschool

We are available to serve the churches of Montgomery Association. Please let us help you by informing us of the particular training needs of your church.

EVANGELISM REPORT
(Grady Blakely)

All Baptists are urged to participate in the Joint Evangelistic Crusade in 1982. The theme will be "Here's Hope." Interpretation Meetings have been held in 66 locations across the state to suggest plans and basic thrusts for the Joint Crusade effort, which is co-sponsored by the Baptist State Convention and the General Baptist State Convention. The Simultaneous Revival dates for the areas are: Coastal, March 14-28; Piedmont, April 4-18; and Mountain, April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Churches are urged to have a Lay Evangelism School in preparation for the 82 Joint Crusade. Seventy-three associations have a trained Coordinator of Lay Evangelism Schools who will train pastors in the association.

"Prayer and Awakening" was the theme of the 35th Statewide Evangelism Conference held February 2-3, 1981 in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, North Carolina. About 2,400 pastors and lay persons attended this Conference. The 36th Statewide Evangelism Conference will be held in Greensboro during February 8-9, 1982.

Most of our associations have been involved in Bold Evangelism Clinics, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook **Bold Evangelism Through the Local Church.** The other associations are asked to plan a Bold Evangelism Clinic, and churches are also urged to enlist a Local Church Task Force on Evangelism to involve more members in direct witnessing to unsaved persons.

On August 28, 29, and 30 thousands of youth were involved in Youth Evangelism Conferences. We thank God for these three evangelistic opportunities in Fayetteville, Greensboro, and Asheville.

The Youth Evangelism Leadership Conference has rapidly become a major equipping time for pastors and youth leaders. Key areas of the Conference are Personal Growth of the leader, youth witness training and discipleship, and equipping adults to minister to youth. During the 1981 Conference, October 5-7, at Caraway, Jack Taylor was the inspirational speaker.

Baptisms were up last year! We pray that North Carolina Baptists are recapturing the desire and commandment of the Lord to seek the lost. If so, we shall surely continue to see more persons led to receive Christ as Lord!

On April 1, 1981, W. C. Lamb became Evangelism Consultant of the Hawaiian Baptist Convention.

BAPTIST HOMES REPORT

(M. A. Powers)

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N.C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular

channels--the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N.C. Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catheterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes - making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telementry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year - many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397. through the North Carolina Missions Offering and designated gifts.

ANNUITY BOARD REPORT
(Sam Everett)

As never before, ministers and church employees need the protection of a retirement program as well as life, medical and long term disability insurance.

Annuity Board spokesman Harold Bailey points out that churches also need the protection of having their employees covered in these areas.

Retirement planning is an important task for churches as well as individual ministers. In light of the present inflation and uncertain futures, churches would be wise as well as loving to provide an additional 10% of total salary for retirement protection.

In Montgomery Association 18 churches and 19 staff members are participating in the retirement program. Of this number 8 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

BAPTIST CHILDREN'S HOME REPORT
(Jerry L. Freeman)

The Baptist Children's Home has continued to give support and care throughout the year. In 1985 the Baptist Children's Home will celebrate its 100th anniversary. It's lifeline of support is the Cooperative Program and the North Carolina Missions Offering. Let each of us strive to give more in support to a good cause.

Members of the staff of the Baptist Children's Home will be glad to be invited to speak on their work. The size of the group will make no difference, and there will be no charge. If you would like a representative, contact:

BIBLICAL RECORDER REPORT

Again this past year, the **Biblical Recorder** has reminded us all of the value of good church-pastor relations. This is just one of many subjects the **Recorder** seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The **Recorder** is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The **Recorder** also challenges us in many other ways. For example, it is reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The **Recorder** was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there -- a front row seat, as it were, for only 7 cents (cost of one **Recorder**).

When people know the truth -- and truth must be spoken in love -- we have a better convention, better churches, better associations and better individual Christians. The **Recorder** is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the **Recorder**, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

MODERATOR . . . . . A. T. Robertson
CLERK . . . . . Mrs. Dorothy Harris

In Memory of Rev. Winfrid B. Allison 1930-1982

Rev. Allison was a dedicated christian minister that was motivated by a love for Christ and his fellow man. This dedication is our expression of gratitude for his ministry.

Graduate of Prairie Bible Institute, Columbia Bible College and Faith Theological Seminary, he served as pastor of Eagle Springs and Star churches in this association. He also served churches in Petersburg and Bassett, Virginia. He was pastor of Southgate Baptist Church in Thomasville at the time of his death. He was married to Rebecca McAlister of Biscoe.

Mrs. Allison and children wish to thank the Montgomery Association for the comforting gesture of dedicating the minutes to Winfrid's memory. He looked forward to settling here at his retirement.

SUNDAY SCHOOL REPORT
(Randolph Browning)

The topic discussed in Sunday School meetings at Ridgecrest, Raleigh and Camp Caraway is called 8.5 by '85. This means that the Baptist State Convention of North Carolina is trying to have 850,000 enrolled in Sunday School by 1985. This is a part of the Southern Baptist Convention's goal of 8.5 million enrolled by 1985. Our Associational goal could be reached if each church would increase enrollment by 50% by 1985. If this seems too high, just think, this is giving two people three years to bring one person. Have YOU been responsible for bringing one new person into Sunday School during the last three years? In the Southern Baptist Convention there has been very much promotion of the "Bold Missions Thrust" over the past few years. This is trying to encourage us to be Bold in our witnessing. The apostles of old risked their lives inviting others into their fellowship. Can we not risk crossing the road, town, or the yard to invite others to our Sunday School?

REPORT OF DIRECTOR OF MISSIONS
(P. M. Hutchinson)

We are grateful for all that served in the various associational positions during the year. Many of the pastors that have recently come into our Association are very active and helpful in our work. We need more participation of our leaders to have a meaningful associational program. Our "Here's Hope Evangelistic Crusade" and our Key Leadership report meeting suffered because of lack of support. We had the largest team ever to attend our Key Leadership Conference at Ridgecrest this year. Several of our churches used the Great Challenge Stewardship Program in their churches this year.

The churches in America are declining in interest and concern of our people expressed by a decrease in attendance. The churches in our Association are not making the progress we should make. Why? Do our leaders care? What will we do about it? I hope each pastor will get his leaders together and look at what their church has done, and seriously consider what it should and could accomplish. Set some goals in every area of your ministry.

The number of unchurched people in our country is increasing twice as fast as the number of Southern Baptists. In the last 10 years the number of sect group churches in America increased 30% while Southern Baptist churches increased 4%.

There are 130 million people in America over 10 years of age who are not Christians. We attempt to excuse our failure in these areas by saying, "We are putting our efforts on making better disciples of our people." Does our record indicate that we are succeeding? I feel that we have busied ourselves with various social projects to the neglect of basic one on one evangelism. We need to get back to a deep burden, compassion, and concern for lost people.

BAPTIST CHILDREN'S HOMES REPORT

(Jerry L. Freeman)

On August 19, 1982, the Baptist Children's Home at Thomasville held an Annual Area Conference. There was a picnic supper of hot dogs or barbeque for all the guests to enjoy. There were tours provided for all those who wished, and after the meal, the program was held in the church. The Mills Home Chorus sang and a new film, "You Needed Me," was shown. This film is part of the Centennial Celebration for the last 100 years. The film is available upon request to any church by contacting Mills Home. We were told that some of the children work, and some saved enough money to go to the World's Fair by working at Caswell Center and Camp Mundo Vista.

In 1985, Baptist Children's Home will be celebrating a Centennial for 100 years. They are hoping that many will help celebrate the 100 years by joining the Century Club by donating what you can. They hope to have many give $100 in appreciation of Children's Homes because of the 100 years. Don't forget that when the Annual Area Conferences are held that as many members of your church are invited as wish to attend and that you can bring your entire family.

In the Thomasville Area, we are pleased with our Foster Home program and its potential. Foster care provides "one on one" care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

EVANGELISM REPORT

(Grady Blakely)

Reports are still coming on the "Here's Hope" Joint Evangelistic Crusade held in March and April, 1982. Interpretation Meetings were held across the state to suggest plans and basic thrusts for the Joint Crusade effort, sponsored jointly by the Baptist State Convention of North Carolina and the General Baptist State Convention. Churches conducted "People Search" and Lay Evangelism Schools, followed by local revivals. Figures to date indicate 2,932 professions and 34,266 rededications, with only 36 of our 80 associations being complete in their reporting.

"Here's Hope North Carolina" was the theme for the 36th annual Statewide Evangelism Conference, February 8-9, 1982 in Greensboro, with 2500 people in attendance; the best consistant attendance in recent years.

For many youth, this year a week at Caswell was the highlight of the summer, with Barry Wood teaching about discipleship during the Youth Evangelism Week. This was the year the Youth Evangelism Conference expanded to three - Asheville, Greensboro, and Fayetteville. These were tremendously successful meetings, with the largest number of youth ever attending.

As we move toward the time when Growing an Evangelistic Church will be our major planning tool and CWT will be the new witness training method, some pilot churches have started the programs. The Key Leadership

meeting in Ridgecrest introduced the associational evangelism chairmen to Growing Evangelistic Churches in North Carolina.

The Statewide Evangelism Conference will be held in Charlotte's Ovens Auditorium during February 7-8, 1983, with Dr. Wayne Ward leading Bible Study; Dr. Landrum Leavell, Dr. B. O. Baker, Dr. Joe Ford preaching; and Dick Baker leading the music.

On February 1, 1982, J. W. Hutchens, Jr. became the Director of the Division of Evangelism for the Baptist State Convention of North Carolina.

ASSOCIATIONAL YOUTH REPORT
(Eddie Brackett)

During March, 1982, all the churches of the Montgomery Baptist Association were encouraged to have a Youth Week or a Youth Sunday. To help climax these events a Youth Jubilee was held on Friday and Saturday, March 19 and 20 at First Baptist Church in Troy and at Troy Middle School. On Friday a concert was given by Jimmy Ray of Gardner Webb College and a movie entitled "High Point" was shown. On Saturday seven different workshops/seminars were offered: (1) Youth and Mission Opportunities; (2) Finding and Doing God's Will; (3) How to Deal With Temptation; (4) How to Recognize Real Love; (5) How to Share Your Faith; (6) The Book of Acts; (7) A Look at Last Things. Following the evening meal, a time of recreation was held. Worship, special music, puppets, and the message by Rev. Guy Hipps, Minister of Youth, Calvary Baptist Church, Winston-Salem, completed the evening. At least 150 youth and adults were in attendance with 13 churches being represented.

In April, a caravan left Montgomery County to attend the statewide Youth Convention in Charlotte. Grady Nutt, Bill and Linda Cates, and Mark McMasters were the program personalities. Over 100 youth and adults joined in this.

On October 16, a Youth Fall Roundup was held at First Baptist Church in Troy. The Youth Choir of Pfafftown Baptist Church in Winston-Salem presented a musical entitled "Lightshine." Following a time of refreshment and fellowship, the group saw the film entitled "Super Christian."

ANNUITY BOARD REPORT
(Lonnie Gibson)

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations in North Carolina are participating in the Southern Baptist Retirement Program.

The church's response to upgrading the staff member's retirement program continues to be encouraging. 10% of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum. In 1981 North Carolina reported 1,032 upgrades.

In Montgomery Association 19 churches and 20 staff members are participating in the retirement program. Of this number 9 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

BAPTIST HOMES REPORT

(M. A. Powers)

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

1982

Workers change but the work goes on. This is the simple message from the **Biblical Recorder** this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the **Recorder** from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, **Church and State.**

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the **Biblical Recorder**, primarily because mailing costs increased 160 percent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The **Recorder** has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new **Recorder** editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

CHRISTIAN HIGHER EDUCATION REPORT
(R. D. Riggins)

CALLING THE ROLL

North Carolina Baptists have founded and continue to support seven colleges and universities. (This number is second only to Texas, which sponsors eight Baptist schools.) What are the names of the North Carolina Baptist colleges, and where are they located? Perhaps calling the roll will prove helpful. Imagining a map of the state and reading from left to right, the Baptist colleges are: **Mars Hill**, in the mountains 18 miles north of Asheville, in the town of Mars Hill; **Gardner-Webb**, in the town of Boiling Springs, nine miles from Shelby and not far from the South Carolina border; **Wingate**, 30 miles east of Charlotte, in the town of Wingate, also near the South Carolina line; **Wake Forest**, in the centrally located city of Winston-Salem; **Meredith**, in the capitol city of Raleigh; **Campbell**, 30 miles south of Raleigh, in the town of Buies Creek; and **Chowan**, in the Northeast town of Murfreesboro, and not far from the Virginia State line.

LOOKING INSIDE

During the 1981-82 school year, there were 15,798 students and 1,768 faculty and staff comprising the human side of the seven schools. Foreign students numbered 224 from 57 countries and territories from Australia to Zimbabwe. North Carolina Baptist college students are preparing for a variety of vocations, for example: church-related vocations, 665; teaching, 1,314; medicine

(including nursing), 1,329; law, 961; social work, 384. Approximately 9,700 of the students received financial aid. The seven colleges have practiced the ministry of Christian education for a cumulative total of 757 years. These colleges are proud of their Baptist heritage and are wanting to be effective missions partners with the churches.

SERVING THE CHURCHES

The business of Baptist colleges is the education of young people. This is the primary service provided by the colleges to the churches. The college presidents have asked that the churches -- pastors and lay people alike -- help them by pointing young people from the churches toward Baptist colleges. Often there are Baptist youth who would prefer a Baptist college, but who fail to apply out of the belief that they cannot afford the cost. It is often the case that a person can attend a Baptist school as inexpensively -- sometimes more inexpensively, depending upon the aid available -- as he or she can attend a state institution.

GRATITUDE

For students, for generous support through the Cooperative Program and for a meaningful place in the great mission to the world, your Baptist colleges are grateful.

BAPTIST HOSPITAL REPORT

Believing that North Carolina Baptists have a right and a responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. (2) A new type of x-ray called "digital radiography," used principally for examinations of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it also is less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I.PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers. He responded to this request and named 26 prominent Americans who will look at the Drinking and Driving problem on a national basis and will make recommendations to the states in ways to deal with this carnage.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a N.C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this problem.

III.STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capital. Due to the loop-holes that now exist in our obscenity laws, our state has more X-rated theaters and "adult" book stores (sex shops) per capita than any other state. As a result of this hihly successful conference, six Regional Conferences on Obscenity and Decency will be held between September 15 and October 15, 1982.

IV. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in several campaigns.

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the N.C. Mission Offering,

the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

N. C. BAPTIST FOUNDATION, INC. REPORT

When it was chartered in 1920, the North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination."

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which received gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase-promoting mission support through estate scholarship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense-even after death.

BROTHERHOOD REPORT

(Paul Gordon)

The North Carolina Baptist Men are still placing special emphasis on "Motivating and Mobilizing Men For Missions." This is both home and overseas missions projects.

The Montgomery Baptist Association is still active in the "Mountain State 200 Project" (West Virginia). The First Baptist Church of Troy had a group of young people and men doing construction work and witnessing. 5 other churches and 18 men were on stand-by to help at Highland Avenue Baptist Church of South Charleston. Due to the weather and the basement cave-in, we were not able to be used.

Your Brotherhood Director has had the privilege of spending two weeks in Haiti doing construction on a new church building this summer.

The Director of Baptist Men's work in North Carolina challenges Baptist men and boys to become personally involved in mission activities through mission study, pray for and give to missions, develop personal ministry and undergird their church and denomination.

CHURCH TRAINING
(Virginia Blake)

Church Training in our Association has been assigned the task of helping churches start a Church Training Program in churches that do not have a program to train their members to be better disciples, to train new members and church leaders (also potential leaders).

The responsibility of the Church Training Program is to teach the five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and Skills Development.

At the Key Leadership Conference in May, the emphasis was Bold Growth in Discipleship Training - training our members to do what Christ taught the first disciples to do.

The theme for 1982-83 is Equipping For Family and Ministry. There is excellent material to help with this much needed training.

Please contact me if I can be of help.

WOMAN'S MISSIONARY UNION REPORT
(Joann Greene)

There is no stronger theme in the Bible than missions. The Bible reveals God's dealing with people and His plan for bringing a sinful, rebellious people back to Himself. Missions began in the heart of God.

Jesus fulfilled God's plan. He came ministering and witnessing. This is also His plan for us -- the church. Jesus Himself commanded us to go into all the world and preach the Gospel and to love our neighbor as ourself.

That's what Woman's Missionary Union is all about. WMU organizations first teach us the Biblical basis of missions, then what is happening in Southern Baptist missions, and how we as a church can support missions. It involves ministering and witnessing in our own community and to our own neighbor.

This year we are thankful we could organize WMU in two more of our churches in Montgomery Association.

The Associational WMU sponsored a Prayer Retreat in connection with "Here's Hope;" this was truly a blessing to all who attended.

Our GA Director coordinated a GAtivity for our girls in Montgomery Association. This was a day for learning much about missions. GA groups also marched in the Christmas Parade in Star.

Our annual meeting was held at Tabernacle Church in Troy with Rev. and Mrs. Cass Vincent, Director of Missions in the Pee Dee Association, as special guest speakers. They shared about their work in language missions and ethnic groups.

Our Associational Directors attended a workshop to help them plan for our local age-level Leadership Conference on September 30 at First Baptist Church, Troy.

We are excited about having a Mission Action person to coordinate mission action projects for us for a new year. We sent tooth brushes and toothpaste to Woman's Prison in Raleigh last Christmas. Sharing with Woman's Prison inmates has become an annual project of our State WMU.

The 1982-83 watchwords for WMU are from Ephesians 2:10, "For God has made us what we are, created in Christ Jesus to do the good deeds which He has planned for us to do." The hymn is, "We Are Called To Be God's People."

We would like to challenge each woman, girl and preschooler to "Catch the Spirit of Missions" in 1982-83 by being involved in Woman's Missionary Union.

COOPERATIVE PROGRAM: PEOPLE HELPING PEOPLE

I AM MONEY!

I am your tithes and offerings given from full hearts and dedicated lives.

I am from great fortunes, from wheat sold, from a day's labor in a cotton mill.

I am from the working people of this great land.

I come from drugstores, filling stations, factories, and mines.

I come from stocks and bonds, from money saved, and from retirement income.

By the time I finished growing in 1981 I was $229 million.

Yes, I am money, money given voluntarily through the Cooperative Program to the missions needs of the world.

But I am more than money.

I AM PEOPLE!

I am a Baptist home for the elderly.

I am a language missionary to the deaf.

I am a missionary at the Baptist agriculture station in Malawi helping natives learn the latest techniques in farming.

I am a medical missionary examining patients in Honduras.

I am a future church leader graduating from seminary.

I am a missionary preaching in Zambia.

I am a missionary in New Mexico recording a message in Spanish to be used over the radio.

I am a missionary and construction foreman working together in the construction of a church.

I am a medical missionary in Nigeria working in the pediatric ward.

I am a missionary baptizing believers in Botswana.

I am a missionary directing a choir for the Taiwan Baptist radio and TV studio "Baptist Hour" program.

I am a chaplain appointed by the Home Mission Board to serve with all branches of the armed forces.

I am a missionary journeyman appointed for two years of service by the Foreign Mission Board.

I am an African dentist missionary.

I am a college student who has been appointed through the Home Mission Board to work in the United States as a summer missionary.

AND FINALLY, I AM YOU!

Yes, you make the Cooperative Program work.

It is you poured out through what you give to the world.

When you give all you can your partnership with God is mighty.

I am you, your voice, endeavoring to show that the world is controlled by a spiritual power and that it has a purpose and moral order.

I am Southern Baptists' greatest expression of mission support and unity.

I AM THE COOPERATIVE PROGRAM!

BAPTIST CHILDREN'S HOMES REPORT
(Jerry L. Freeman)

On June 12, 1983 the Baptist Children's Home at Thomasville, N.C. held a barbeque picnic honoring the president of the home who was retiring. There were may people there and everyone enjoyed the picnic. Afterwards there was a special service.

In 1985, NC Baptist Children's Home will be celebrating a Centennial for 100 years of service to children. The Children's Home is hoping that all churches will give at least 100 dollars if they can, and what they can if they can't. It takes many dollars to run our Children's Home and they need your help.

We encourage each church in our association to continue to support the Children's Homes. Children of today are our leaders of tomorrow. Jesus said "Suffer little children until me." These children need your prayers and in addition your financial support.

BAPTIST HOMES REPORT
(M.A. Powers)

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful.

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benovolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offerings if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

CHRISTIAN HIGHER EDUCATION REPORT

NEW COLLEGE PRESIDENTS

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr., assumes the presidency of Wake Forest on October 1, 1983.

Dr. Corts has been a college teacher and administrator in Kentucky and Oklahoma. A graduate of Georgetown College and Indiana University, he is an experienced leader and author in the fields of communications and fund raising.

Dr. Hearn, an ordained Baptist minister, is a graduate of Birmingham Southern College, Southern Baptist Theological Seminary and Vanderbilt University. He has served one pastorate in Indiana. He is an experienced college teacher and administrator in Virginia and Alabama.

Congratulations to Wingate and Wake Forest! These qualified leaders join Presidents Fred B. Bentley, John E. Weems, Norman A. Wiggins, Bruce E. Whitaker and Craven E. Williams as leaders in Christian higher education for North Carolina Baptists.

SEEKING THE BAPTIST STUDENT

All of the seven North Carolina Baptist colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate are grateful to North Carolina Baptists. Please continue to favor us with your young people, your gifts and your prayers.

BAPTIST HOSPITAL REPORT

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns.

The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

N.C. BAPTIST FOUNDATION, INC. REPORT
(Edwin S. Coates)

Have you ever received a "Mrs. Pig Letter?" We want our 1983 report to be such a thank you note to North Carolina Baptists.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that **Postman of Bayberry Lane** was their favorite book. The gist of the story centered around Mrs. Pig who everyday met the postman at her mail box but to no avail. The postman felt "sorry" for Mrs. Pig because her box was always empty so he suggested she have a party and invite all other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes are written or received, we chuckle and remember with nostalgia that these are "Mrs. Pig letters."

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are commit-

ting a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

REPORT OF DIRECTOR OF MISSIONS
(P.M. Hutchinson)

In Matthew 9:35 - 10:1 Jesus urges us to seriously consider our mission. The need is as great today as it was two thousand years ago. The field is greater, the harvest is ripe, and the labourers are few. Our churches and communities are filled with lonely, discouraged, hurting people. The multitude is still drifting as sheep without a shepherd.

Our churches today are busy with many activities. In 1900 we had 1900 religious denominations, in 1982, we had 22,000. Yet, people are turning away from the churches. Last year we had more people in N.C. that do not belong to any church, than people who belong to a church. In the last ten years our population increased in N.C. by one million people, and more than a million projected increase in the next ten years.

During this year our association leaders have planned and held meetings to help our church leaders in the various organizations, many of our churches do not attend these meetings to acquaint us with the latest methods. This lack of support tends to discourage our associational leaders.

For the last fifteen years our convention, state, and associations has lost ground so far as reaching people is concerned. Why? I don't have the answer, but I believe if we would give prayerful consideration to the statements of Jesus as he appointed His disciples, it would help us. Jesus said, "I came not to be ministered unto, but to minister." The philosophy of the world is "What's in it for me?" We sometimes hear this from our churches in regard to our association. The Christian philosophy is what can I give?

ASSOCIATIONAL YOUTH REPORT
(Eddie Brackett)

The youth of the area churches held a Rally on October 16, 1982 at First Baptist Church in Troy. Some 225-250 were in attendance. The youth choir of Pfafftown Baptist Church, Winston-Salem presented the musical, "Lightshine." Jimmy Ray of Gardner-Webb College provided a miniconcert. The evening was concluded with the viewing of "Super Christian."

Six trips to Rec-N-Rol in Wadesboro were held during the year. Attendance ranged from 100 to 140.

In November, a meeting was held to organize a structure for the purpose of planning, promoting, and carrying out Associational youth activities. It is called the Montgomery Baptist Youth Council.

The annual **Youth Jubilee** was held on March 18 and 19, 1983. The March 18 events took place at the Forks of Little River Baptist Church. The movie "Kevin Can Wait" was shown and a talent show was held. The March 19 events took place at First Baptist Church in Troy and the Troy Middle School. A series of seminars were offered. Followng a time of fun and games special music was provided by Jimmy Ray of Gardner-Webb College. Rev. Richard Everett of the N.C. Baptist State Convention in Raleigh was the main speaker.

On Thursday, August 11th, the youth sponsored **TRUTH** of Mobile Alabama. The event was held at First Baptist Church in Troy with 850 in attendance. Some 500 people were turned away. 30 decisions for Christ were made.

The youth of Wadeville Baptist and Hamer Creek Baptist both sponsored a **planned famine** for the pupose of raising money for World Hunger. One half of the money went to world hunger through the Cooperative Program and one half to the Montgomery Crisis Fund.

A FOCUS team from Gardner-Webb College held a youth revival for area youth on October 7, 8, and 9. The Friday event took place at Wadeville Baptist Church. On Saturday, a sack lunch, Bible study and recreation time was held at First Baptist Church, Troy. The Saturday night service was held at Mt. Carmel Baptist Church. The closing service was held on Sunday afternoon at Forks of Little River Baptist Church.

BROTHERHOOD REPORT
(Paul Gordon)

The objective of Brotherhood is to encourage the men and boys of the North Carolina Baptist Churches to discover their talents for missions service and to direct men and boys into personal involvement in missions service. The Association will encourage men and boys to get involved in missions activities through their own church Brotherhood organization. Some mission opportunities can best be accomplished by units working cooperatively in the Association.

The Brotherhood of the Montgomery Association has elected to build a church in Haiti at a cost of $5,000, and supply the men to construct the building. The Association W.M.U. has agreed to help raise the money as a Mission Action project.

The Association Brotherhood Director has had the privilege of visiting eleven churches this year, speaking of Brotherhood work and showing slides of the church in Haiti he helped build last year.

We are thankful for the two new Brotherhood units (Baptist Men) in our Montgomery Association churches this year.

WOMAN'S MISSIONARY UNION REPORT
(Joann Greene)

For God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16. This is the message preschoolers, girls, and Baptist Women have to tell within Woman's Missionary Union.

The emphasis for 1982-83 has been "Life-changing Accountability." It was centered around reaching people for Christ, developing believers, and strenthening families, all beamed at carrying out the Great Commission.

The watchword: For God has made us what we are, created in Christ Jesus to do the goods which he had planned for us to do. Eph 2:10.

This is exactly what we believe and have tried to do in Woman's Missionary Union here in Montgomery Association. We have been a part of missions and have tried to be missionaries to some ourselves. This is important, put into action what we say we believe within our hearts.

Seventeen of our churches chose to participate in gathering canned food supplies and medicine bottles for Missionary Martha McAllister for her work in Africa. Also, we sent more than 650 pairs of Knee Hi stockings to Woman's Prison in Raleigh. This is a ministry of N.C. Woman's Missionary Union.

A GAtivity was held at Wadeville Baptist Church for all GA's and their leaders at which time Dr. Culley shared of his volunteer mission work in Africa.

Our Annual Meeting was held at Candor Baptist Church on April 21 with Miss Suethell Walker, Director of Baptist Women for our state WMU. She was an inspiration to the many who attended. This was the best attendance in recent years for our Annual Meeting. Miss Walker reminded each of us that we are accountable to God, and the world as to what we do with our "christian" life!

All of our leaders attended a workshop in High Point in August, in preparation for our own leadership workshop that was held in September at First Baptist, Troy. We were disappointed at the poor attendance from our local churches, but felt it was worthwhile. We urge our churches to take advantage of these learning opportunities. We as leaders, are anxious to be of help to you with starting new organizations, or just giving some insight into what we are already doing.

Mr. Robert Dawkins, Chaplin at Southern Correctional Center, Troy, shared with us at the leadership workship, some things we want to consider as mission action projects for our new church year. We as christians, are responsible for sharing God's love to these people too.

Our Prayer Retreat was led by Mrs. Bea McRae, President of N.C. WMU. This was a wonderful experience for the many who attended. She challenged each of us to be **"Women of Prayer"** for missions, our churches, and for all areas of our lives.

We have had unity and a good spirit of co-operation within our Montgomery Association this year, and are looking forward to working with our churches another.

BAPTIST FOUNDATION REPORT TO ASSOCIATIONS, 1984

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we **could** continue our witness forever. We know that we **should** plan for such continuing witness. And now each of us **can** participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for a mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was $100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling $300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day!" Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E.T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts - income which is all paid out to Baptist causes or annuitants - was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staff person will be assigned this repsonsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work - forever! The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

DIRECTOR'S REPORT TO ASSOCIATION

(P.M. Hutchinson)

We are very grateful for the cooperation many of our churches gave in our Association Ministry. Several of our churches were very responsive to the tornado victims in the eastern part of our state with gifts of clothing, furniture, food and money. We appreciate the attitude and work of our Brotherhood Director, Brother Paul Gordon. He urged us last year in our associational meeting to help furnish and build a preaching station in Haiti. Only a few of our churches cooperated, yet the goal was reached. Money was raised for the building and some of the expense of those going to construct the building. Our Senior Citizens Director, Brother Sam Everett, started a regular meeting for lunch and fellowship for our Senior Citizens this year.

A few of our churches have complained about more activities in our Association, yet these churches did not cooperate in activities our leaders planned. We hope all our leaders will plan conferences in all our work to help our people in the churches with their task this year: Sunday School, Church Training, W.M.U., Brotherhood, Stewardship, Evangelism, Youth and Senior Citizens. We need your prayers, cooperation, and support to have a helpful ministry.

EVANGELISM REPORT 1984
(Randolph Browning)

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America, God Loves You" revival in March and April 1986. The revival dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western, April 6-13, 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October 1985.

I attended the Keyleadership conference at Ridgecrest in May of 1984 and I am happy to report that the plans for the "Good News America, God Loves You" Revivals sound as if they will bring great praise to the name of the Lord Jesus Christ. The pastors in Montgomery Association have already voted to participate so **I want to make a motion at this time that we as an Association vote to participate.**

BAPTIST CHILDREN'S HOMES REPORT
(Jerry L. Freeman)

The Baptist Children's Homes of North Carolina, Inc. had its beginning 99 years ago on the Mills Home campus. Preparation is already underway to celebrate one hundred years of quality child care in 1985. A tradition of caring and love was begun in 1885 and continues today.

At the very heart of child care is love. That is a simple statement to make. However, for a child to feel and understand love is a far more complex undertaking. It really is done best by the people who live with them daily, the cottage parent. They make the difference in a child's life. We are blessed with staff members who feel it is a real privilege to share their life and love with children, making quality child care possible.

Through members of our social work staff, services are provided to families in a good and efficient manner.

Emergency Care is available in High Point and on the Mills Home campus.

Therapeutic camping at Cameron Home continues to grow in quality. It is operating with three groups of 10 boys each providing intense group work to help boys from 11 to 15 years of age in a year-round therapeutic setting.

Group care at Mills Home and foster care continue to be used in an effective way in service to families.

All services of the Baptist Children's Homes are available through the staff of the Thomasville Family Services Center. These services include: Group living on four campuses, foster care, therapeutic camping, camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development; counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

During the Centennial Celebration you can be a part by:

(1) Praying for the trustees, administration and staff that we might meet the challenges of the future in Family Services.

(2) Consider serving as a Foster Parent or Child Care Worker in one of our facilities.

(3) Giving to undergird the program through the Cooperative Program and the North Carolina Missions Offering.

Thank you Baptists for your financial support for nearly one hundred years of child care.

Larry Sawyer, Director of Thomasville Area Family Services
Dr. Michael C. Blackwell, President
Charles L. Tanner, Director of Public Relations

BAPTIST HOMES REPORT
(M.A. Powers)

North Carolina Baptists, from October 1983 to April 1984, gave 26 percent of the Homes total income through the Cooperative Program, North Carolina Missions offering and special gifts. This support covered 77 percent of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984 are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. During the 1983 fiscal year, mission support was $306,000 less than the need. Now, approximately 40 percent of the residents of the five Homes are able to cover their full cost of care. 10 percent of the Nursing Care residents underwrite their full cost of care. As you can see, your mission gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the Homes' Cooperative Program allocation added to the support which you have given. Your continued prayer support, your personal encouragement and visits mean so much to the residents, staff, and to the ongoing effective ministry of the Homes.

The twenty trustees of this $3.2 million ministry are consistently devoted to the financing, planning, upkeep, development, etc. Numerous major decisions have been made by the Board in the last several months. These decisions have launched a Capital Funds Campaign - "A Call To Remember," revised admission policies and secured consulting services to review the total operations of the Homes. Members of the Trustees are comprising a Search Committee to locate a successor upon the retirement of President William A. Poole in October 1985. They voted to change the Homes' name to the Baptist Retirement Homes of N.C., Inc. The name

change was approved by the Convention during the 1983 session.

Fred Lovette, retired President and Chairman of the Board for Holly Farms, has given unselfishly of his time to pull together key leaders across North Carolina to formulate an Advisory Team and leadership people to raise $2½ million through the "A Call To Remember" ... Campaign. Gifts to this Campaign will be used to renovate and update the Hayes Home facility.

The Homes' 33 year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as N.C. Baptists.

REPORT TO THE ASSOCIATIONS -- 1984
The Biblical Recorder

History was made last year when the **Biblical Recorder,** fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the **Recorder** moved into its own building, becoming the fourth state paper to have its own building.

In February, 1912, the **Recorder** moved into its own building in the heart of Raleigh. In July, 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the Capital City. Coming to Raleigh in 1838 from New Bern, the **Recorder** is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the **Biblical Recorder** is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the **Recorder** is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will **NOT** be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 percent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one

point of view; they do not permit an exchange of ideas and perspectives. The **Biblical Recorder** does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful **Recorder** reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support and readership. We continue our march toward making the **Biblical Recorder** the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

Respectfully submitted,

Associational Representative

CHRISTIAN HIGHER EDUCATION REPORT

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as **a place for study; a place for growing in spiritual and intellectual maturity;** and **a place where life continues and futures are shaped.**

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention of North Carolina celebrates 150 years of involvement and partnership in Christian education. It all began in 1834, when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and the gifts of churches, and because Baptist youth continue to attend.

Please continue to favor the North Carolina Baptist Colleges with your young people, your gifts and your prayers.

BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS 1984

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant

mortality rate and in a 15 percent reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertebral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery if not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts.

BROTHERHOOD REPORT
(Paul Gordon)

The theme of "Motivating and Mobilizing Men For Missions" of the North Carolina Baptist men has a new meaning in the Montgomery Association in 1984.

Nine churches in the Association raised $5,000.00 to build a church in Dufailly, Haiti of the W.I. and also helped pay part of the expenses of the men. The churches that supported the mission project were Mt. Carmel, Forks of Little River, Pleasant Grove, Dover, Liberty Hill, Stoney Fork, Blackwood Chapel, First Baptist, Mt. Gilead and Hamer Creek. A total of eight men were on the mission trip, and five of the men were from the Montgomery Association. James Johnson of Pleasant Grove, Jerry Smith of Stoney Fork, Danny Hinson, David Wood and Paul Gordon of Mt. Carmel.

All the men would like to be involved in another mission trip.

This year we are thankful that our Baptist Men and R.A.'s have increased from 353 to 400 in the Association. We challenge all Baptist Men and boys to become personally involved in mission activities through mission study, pray for and give to missions, develop personal ministry and undergird their church and denomination.

WOMAN'S MISSIONARY UNION REPORT
(Mrs. Joann Greene)

Woman's Missionary Union, Auxiliary to the Baptist State Convention of North Carolina, seeks to teach Baptists about missions, lead them into an active ministry of prayer and financial support of missions and to help them become more involved in missions.

The Great Commission found in Matthew 28: 19-20, provides the foundation stone of Woman's Missionary Union. Jesus' purpose in coming to the world in human flesh, and our purpose as his disciples is to seek and save that which is lost.

Ye shall be my witnesses - tell the Good News - love your neighbor as yourself. This is missions. W.M.U. is designed to help women, girls and preschoolers learn who their neighbors are and how to minister and witness

to them. We provide mission education to our churches. We do this through Mission Study, Mission Support and Mission Action. We also learn who our missionaries are, where and what they are doing and how we can best help them in this great work at home and abroad.

Nineteen of our churches in Montgomery Association are involved in Woman's Missionary Union.

The emphasis for 1983-84 has been "Partnership in Prayer and Ministry." We have focused in on how important prayer is to our ministry and how they go hand-in-hand if we are to be effective in our work.

Again this year we participated in helping to provide Christmas presents for inmates at Woman's Prison in Raleigh. We have been involved in mission projects such as food pantries, clothes closets, Meals on Wheels, nursing home ministries and aiding North Carolina tornado victims. We firmly believe if we are to meet people's spiritual needs, we must also meet their physical needs.

A G.A. tivity was held at Wadeville Baptist Church. One of the highlights of the evening was to hear Mrs. Steve Goss share the work she and her husband will be doing as missionaries to Japan. Their Foreign Mission Study was taught at this November event.

Mrs. Hope Christian of Raleigh came to our Association on March 29, 1984, to lead us in our Prayer Retreat. The theme for the evening was, "Making Prayer Real." It proved to be very inspirational to all who attended.

Our Annual Meeting was held at Wadeville Baptist Church on April 19, 1984, with Mr. and Mrs. Charles Wiggs as our missionary speakers. Our age-level leaders gave reports at this time.

All of our leaders attended an overnight workshop at Caraway Conference Center in August 1984, in preparation for our leadership workshop on September 18, 1984, at First Baptist Church, Troy, North Carolina. We as leaders, urge our churches to take advantage of these learning experiences.

We, the Associational W.M.U. Council, are looking forward to greater things happening in "**M I S S I O N S**" in Montgomery Association for another year and urge every church to be a part of this great work.

TRAINING UNION REPORT

(Lee Roy Smith)

Church Training is an agency organized especially to promote training in church membership.

The Training Union contributes to spiritual needs through Christian fellowship. In every assembly each member is encouraged to take part in Bible study. Training Union offers each member an opportunity of doing just that.

Training Union Scripture is the words of Paul to young Timothy, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the work of truth."

"According to recent reports, forty percent of those who join a church each year will be lost from the program and from the influence of the church within ten years!" This is a chilling indictment of church life as it is. It il-

luminates a serious problem that only an aggressive, Bible-based emphasis on discipleship can erase.

Church Training continues to expand and strengthen it's program and resources for developing believers.

Developing Believers is a vital part of Bold Mission Thrust through 1990. Church Training has a major role to play in that emphasis.

These are exciting days for the ministry of Church Training. Many new ideas, new materials and a new seriousness to our need for Christian Training are coming to us through Church Training.

Church Training seeks to equip all believers in growth in Christian Discipleship. It helps persons understand and apply Biblical doctrine, to live according to Biblical teachings, and know and participate in the life and work of the church. It helps believers build up the church through worship, witness, ministry and learning.

We failed to get much accomplished in the area of Church Training in the past year. So few of our churches have an on going Training Union. For this reason it is difficult to do the promoting that needs to be done.

We did however, have one new Training Union started.

I want to challenge each one of our churches to stop and look at it's possibilities, and you will agree with thousands of others, that this agency is making a serious effort to carry on the earthly mission of our Lord and Saviour.

A church drifting along without a Training Union is making a serious mistake.

REPORT OF RESOLUTIONS COMMITTEE

(Randolph Browning)

Whereas, God has blessed us richly in our Churches and in our Association during this past year, and

Whereas, in this ninety-sixth annual session of Montgomery Baptist Association meeting at New Hope Baptist Church, Star, on October 23, 1984 and Liberty Hill Baptist Church on October 24, 1984, we have been informed and challenged; be it therefore resolved:

(1) That we express our deep gratitude to God for His blessing;

(2) That we express our appreciation to Rev. A.T. Robertson for his able and dedicated service as our moderator and to Janet Hill for her faithfulness as our clerk;

(3) That we express our appreciation to Rev. P.M. Hutchinson for his leadership as our Associational Director of Missions:

(4) That we express appreciation to New Hope Baptist Church, Star, and Liberty Hill Baptist Church for the gracious manner in which they hosted the Association, and all the churches that provided the delicious meal;

Be it therefore further resolved:

(5) That we encourage all our churches to share in the work of the Association for the glory of the Lord Jesus Christ.

BAPTIST CHILDREN'S HOMES' REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day," the centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, A Hundred Years of Caring, an updated history of the Homes. Baptists from across the State submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring," was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

An update from the Thomasville Family Services Area:

The child care ministry on the Mills Home Campus began November 11, 1885. It was appropriate during the Centennial year to begin a 1400 mile "Run for the Children" from the Mills Home Campus. Several hundred people were present for the first day of the run and for the exciting conclusion on July 6, 1985 as the road team entered Thomasville after 40 running days.

The accomplishment of several beautification goals has enhanced the appearance of the Mills Home Campus. A good growing season and committed farm personnel has resulted in the best garden at Mills Home in several years.

These and other highlights are the results of a dedicated staff and some of God's loveliest children working in harmony toward quality child care.

The alumni are nearing the completion of a goal as they complete work on the Mitchell Museum, the oldest standing facility used for child care in North Carolina.

We are grateful for the support Baptists have given us during these 100 years.

Larry W. Sawyer, Director of Thomasville Family Services Area

BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS 1985

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hosptial also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or

snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing porgram of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344,000.

Respectfully submitted,

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

(M.A. Powers)

The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.

Over thirty new residents were admitted to the Homes and Nursing Care.

Group Homes fees for care were not raised. Cost containment and budget controls made this possible.

Over $100,000 of benevolent care was provided monthly to Home residents. Sixty cents of each benevolent care dollar was provided through the Cooperative Program and North Carolina Missions Offering gifts.

"Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.

The Homes' Nursing Care Unit, Winston Salem, can now care for 85 persons. The conversion of eleven Hayes Home rooms made this increase possible.

The Nursing Care Unit is operating at 95 percent plus occupancy.

Apartment policies are revised. Another duplex unit is on schedule for Hayes.

A 20-minute video tape, **"Not An Ordinary Person"** has been produced to be used in communicating the Retirement Homes' ministry.

The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, N.C.

After more than 24 years of service to N.C. Baptists and the Retirement Homes, Homes' President Bill Poole retired. A Trustee Search Committee has recently selected William B. Stillerman, Pastor of Memorial Baptist Church, Buies Creek, N.C. to become the third President of the Baptist Retirement Homes of N.C. He has been a professor of Religion at Campbell University; pastor of First Baptist Church, Mt. Gilead; associate pastor of First Baptist, Smithfield; and resort minister, Morehead City-Atlantic Beach. He is a graduate of Furman University and holds two degrees from Southeastern Seminary. He completed Clinical Pastoral Education at Baptist Hospital in Winston-Salem and did additional study at Campbell University School of Law. And, as chairman of the Board of Trustees of the Baptist Retirement Homes of N.C., he served with distinction and ability.

The first meeting of the Retirement Homes' **"Heritage Club"** was held. The members have included the Homes in their estate planning. Last year, through bequests, trusts, etc., over $400,000 was given to support the Retirement Homes' ministry.

The fiscal year ending September 30, closed in the black, due to special gifts.

The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud, is provided.

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1985
CAMPBELL - CHOWAN - GARDNER-WEBB - MARS HILL
1887 1848 1905 1856
MEREDITH - WAKE FOREST - WINGATE
1891 1834 1895

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges, is 779! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education -- There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and Christian faith are compatible.

Baptist Students -- Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program -- Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

REPORT TO THE ASSOCIATIONS -- 1985
The Biblical Recorder

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the **Biblical Recorder** is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are **not** members...of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The **Recorder** gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will **not** be raised for the **fourth** consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as **The Biblical Recorder.**

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

BROTHERHOOD REPORT
(Paul Gordon)

The theme of "Motivating and Mobilizing Men For Missions" of the North Carolina Baptist Men continues to grow in the Montgomery Association in 1985.

Seven churches in the association have given and three (3) have stated their support to raise $6,000.00 to build the second church in Haiti of the W.I. The churches that have supported the mission project are Mt. Carmel, Stoney Fork, First Baptist Troy, Bethel, Candor, Eagle Springs, and Laurel Hill. The churches that have stated their support are Dover, First Baptist Mt. Gilead, and Hammer Creek. A total of eight (8) men are scheduled for the mission trip on the first of the year. Five (5) of the men will be from the Montgomery Association; Winford Davis, and Fred Hare from Dover; Danny Hinson, David Wood and Paul Gordon from Mt. Carmel; two of the men will be from Hulda Baptist Church of the Randolph Association, James Johnson and Ricky Moran.

This year we are thankful for the new work in R.A.'s at First Baptist, Mt. Gilead. We continue to challenge all Baptist Men and boys to become personally involved in mission activities through mission study, pray for and give to missions, develop personal ministry and undergird their church and denominations.

EVANGELISM REPORT 1985
(Randolph Browning)

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America God Loves You" revival in March and April 1986. The revival dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western, April 6-13, 1986.

Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October 1985.

I attended the Keyleadership conference at Ridgecrest in May of 1985 and I am happy to report that the plans for the "Good News America God Loves You" Revivals sound as if they will bring great praise to the name of the Lord Jesus Christ.

SUNDAY SCHOOL REPORT

(Marion Parker)

I was asked by our Sunday School Director to give the report. Sometime ago I attended the Key Leadership Conference at Ridgecrest and shared in the Sunday School conference there. Later I conducted a Sunday School conference here in our own association. The "On to Victory" kits were distributed to each of our churches.

The emphasis in all this, and for the past several years, has been on the effort to enroll eight and a half million people in Sunday School by the end of September 1985. We have seen for a long time the slogan "8.5 by '85."

How did it all turn out? I don't know the figure for our association. I do know that as best as we can tell from what we now know from the reports sent in we enrolled 666,649 in our Sunday Schools here in North Carolina, a one percent increase over 1984. Our figures for the Southern Baptist Convention show an all-time high enrollment of over eight million. To be exact, it was 8,002,809. That is a bit short of our goal of eight and a half-million, but still an all-time high. The final report is due out on December 11 after the uniform letters from the churches have been studied.

Where do we go from here? The new challenge is ten million enrolled by 1990 with a slogan of "10/90." How can it be done? One of our stewardship program slogans a few years ago is appropriate here: "Life by the yard is hard; by the inch it's a cinch." It takes each Christian and each church working at it! Eight out of ten persons, who accept Jesus Christ and are active in our churches, have first been enrolled in Sunday School. Every time three unsaved persons are enrolled in Sunday School for Bible study, one of them will be saved within twelve months. Every thirteen visits made, on an average, will enroll another new person who probably is unsaved. Numbers represent people for whom Christ died. We dare not fail to reach them for Bible study to win them to Christ.

W.M.U. REPORT
WOMAN'S MISSIONARY UNION REPORT

(Joann Greene)

The last instructions Jesus gave to his disciples just before His Ascension into Heaven was, "Go ye into all the world and preach the Gospel to every creature." This same message still applies to us as Southern Baptists today.

These words mean missions. This is what Woman's Missionary Union is all about.

WMU is the name of a church basic program, (part of the **total** church program). It is designed to help women, girls, and preschoolers learn how to minister and witness to their neighbors and to the uttermost part of the world.

WMU is also a mission educator - providing mission education to our churches concerning the work of our denomination, and our missionaries.

WMU has four tasks: (1) Teach missions, (2) Engage in mission action and personal witnessing, (3) Support missions, and (4) Undergird and interpret the work of the church and our denomination.

Promotion by Woman's Missionary Union results in more than half of the funds needed for the great work of more than 6,000 Home and Foreign missionaries. WMU also provides the ongoing prayer base for our work as we participate in the Week of Prayer. WMU is the "heartbeat" for missions in our Southern Baptist churches. It helps Baptists reach beyond themselves to embrace the whole world.

Our emphasis for 1984 - 1985 has been "By Love Compelled." It is because of His great love for us and our love for Him that we want to share this with others. We feel the need to reach out and touch someone, as Christ has reached out in His love and touched our lives in a special way. Our love should not be just words and talk, it must be true love, which shows itself in action. (I John 3:18), This is where mission action and personal witnessing becomes real to us.

Again this year, nineteen of our churches in our association, participated in helping provide Christmas presents for inmates at Woman's Prison in Raleigh. We have been involved with various mission projects in our individual churches and communities. We provided "health kits" for Missionary Vargas of Fayetteville to use in his work with migrant workers. We contributed some money to help the Brotherhood build a church in Haiti.

Mrs. Hope Christian of Raleigh came to Troy First, in April, to lead us in our spring Prayer Retreat. She challenged us to be "Real Women of Prayer."

Our annual meeting was held at Biscoe First on April 18, with a good number in attendance. Rev. Tony Brewington, missionary to the Indians in the Pembroke area was our speaker. Everyone enjoyed hearing him share of his work and testimony.

A "Summer Celebration" for Acteens and GA's was held at Troy First on June 21. Homemade ice cream was enjoyed by the 110 who attended. Miss Eva Whittengton who works with the N.C. Fellowship of Christian Athletics, challenged us to be our best for Christ and to recommit our lives to him.

This year, 1985 - 86, is the first time in some time we have all age-level leaders. We are excited about the fine quality of leaders we have. We all attended a leadership workshop at Caraway in August. We conducted our own in September. We urge you to let us help you in your individual churches to organize WMU, or offer any help you might need.

In January of 1986, we will begin to celebrate our Centennial in Woman's Missionary Union. This is to be an exciting time for us in North Carolina. It

will be a time of looking back to our accomplishments, and to honor those great leaders of our organization. It must also be a time of renewed vision and dedication to future challenge of missions. We thank God for what He has already done through those who were willing to give of themselves.

The theme for 1985 - 86 is "Multiply the Vision." The word vision implies a goal, a dream, a target - something to work for.

God speaks to us today in many ways to call us to worldwide visions of winning people to Jesus Christ. To do this, we must have more people, more churches, involved in praying and giving for missions. More people involved in mission action in the world right outside our own doorstep, and more personal witnessing in our communities.

What is your vision for missions in your church? Let's pray that God will stir our churches, open our eyes, awaken, renew, and use each church member to help take the gospel around the world.

I'm looking forward to another year in Woman's Missionary Union in Montgomery Association. Let me and our age-level leaders know if we can be of any help to you.

REPORT OF RESOLUTIONS COMMITTEE
(William R. Turnmire)

Whereas, God has richly blessed our Churches and our Association during this past year, and

Whereas, in this ninety-seventh annual session of Montgomery Baptist Association meeting at White Crest Baptist Church, Mt. Gilead on October 22, 1985 and Mt. Carmel Baptist Church, Troy on October 23, 1985, we have seen growth and spiritual unity prevail; be it therefore resolved:

(1) That we express our deepest gratitude to God for His blessings.

(2) That we express our appreciation to Kester O. Williams for his able and dedicated service as our moderator and to Janet Hill for her faithfulness as our clerk;

(3) That we express our appreciation to Rev. P.M. Hutchinson for his leadership as our Associational Director of Missions for nearly eighteen years;

(4) That we express our appreciation to White Crest Baptist Church, Mt. Gilead, and Mt. Carmel Baptist Church, Troy, for the gracious manner in which they hosted the Association, and for all the churches that provided the delicious meal;

Be it therefore further resolved:

(5) That we challenge and encourage all the people in our churches to co-operate in the ministry of our Lord through the Association to His praise and glory.
